### RE: CONFIRMATION OF CARGO AVAILABILITY OF TWO MILLION BARRELS BONNY LIGHT

On our previous letter on the above subject matter refers;-

In order to avoid further conflicting representation and mis-conception on status of (NIG) LTD. we wish to reiterate clearly, for the record

1. That (NIG) LTD has only the marketing rights on the approval parcel of Nigerian Bonny Light Crude Oil Cargo availability for lifting to any of their selected buyers.
2. The cargo will be lifted by special official arrangement from bulk allocation with reference No;NNPC/BLCO/T.OPS/BON\299 dated Feb 2009, cargo authority Ref No;- COSD/S.T.061/RH with permit No;- EXP.T/28/VOL.4/2018, for Cargo Stock No;- 0397 Cargo no SNL 0903020 and Stock No;- 0399 Cargo No;- SNL 0903030, total quantity of 2,000.000 Barrels Bonny Light and Window Date of 15<sup>th</sup> March to 31<sup>st</sup> March 2009 .
3. NNPC are the sole owner and seller of the Cargoes and its capacity to execute the lifting of Cargo as arrange is assured and unquestionable.
4. (NIG) LTD, are the contract holder under whose auspices the cargo is to be successfully lifted and delivered to buyer.
5. The transaction is either transshipment/tanker / tanker and is off OPEC record and thus confidential and must be executed discreetly for mutual benefit of seller and buyer. You are therefore cautiously guided to comply with (NIG )LTD, for processing of your lifting arrangement, or drop the matter for good.

We look forward to a successful business transaction with your company.
